Climate Change. Migration & Me EUROPEAN PACT FOR WATER

HOW ARE WE BEING INFORMED ABOUT CLIMATE CHANGE?

DO YOUNG PEOPLE UNDERSTAND THE UNEQUAL IMPACTS?

Men and women are **EQUALLY** affected by climate change

Water stress **EQUALLY** affect men and women

They do not

Water stress have been **CAUSING** mass migrations

Environmental crisis is a **VALID** reason to migrate

I would consider moving to **ANOTHER** country due to droughts

HOW TO INCREASE AWARENESS AND EMPATHY?

Shifting perspective to challenge prejudice

Integration by promoting amusement together
